

# MEETING REPORT

**Team Name: BLACKHAT**

**Date of Meeting: 05/04/2022**

**Start Time: 20:30 End Time: 22:30**

**Meeting Location: ONLINE**

**Moderator: Sindi Shima**

**Recorder: \_\_\_\_\_**

**Other Members Present:** Kevin Shehu  
Keidi Sheremeti  
Sindi Shima,  
Sildi Riçku  
Flavio Pernoj  
Enkli Gjokopulli

**Members Absent:**

**Topics Discussed:**

- ➔ Discussion about the team leader selection
- ➔ Discussion on creating Github repository
- ➔ Discussing project ideas

**Decisions Made:**

Our group decided that the team leader will be Sindi Shima  
The group Github repository was created  
As a project idea it was decided that it will be a web application for the Epoka canteen to have a more easy and automated solution for the students and for the cooks

**Tasks Assigned:**

The team leader Sindi Shima is responsible for creating the team Github repository and for assigning tasks to each member of the team.  
Each of the team member is assigned to research about any technology that they might want to use for developing the application and then come to a conclusion.

**Time, Place, and Agenda for Next Meeting Thursday, 15 April –ONLINE – 20:30**
